## PUT UP YOUR GLUEDOWN

Luxury Vinyl is the best choice in flooring, and now it can make a great wall covering too! Ascend™ is designed for use with our GlueDown floorings of 2mm thickness or thinner, such as Main Street™, Studio 12™, and Foundations™. Choose from an array of eye-catching designs for a wall covering that truly stands out.

# PRETTIER THAN PAINT

## AN AESTHETIC FOR ANY SPACE

Ascend™ is not limited to residential or commercial. Any space you have will be amplified by the extraordinary presence of LVP wall covering.

## INNOVATIVE AND ELEVATED STYLE

LVP wall coverings are an opportunity to stretch your creativity. Patterns such as herringbone are spectacular with Ascend™, and mixing two or more designs can make for a truly striking look. With 30 compatible flooring SKUs to choose from, the possibilities for Ascend™ are virtually limitless.
